Forecast for Saturday 30 Jul 2022

Weather: Rather cloudy overnight and during the morning with patchy light rain and drizzle. Any rain and drizzle dying out during the afternoon with skies brightening, a few sunny spells developing by evening. However, the odd shower still possible over the Angus and Aberdeenshire hills.

Chance of cloud-free hill tops above 800m: 30% overnight and early morning, becoming 50% by midday, then 80% later in the afternoon.

Low Cloud and visibility: Occasional or widespread cloud, base 600 to 900m, overnight and early morning, lifting and breaking near or above the summits from late morning.
